Independent Auditor's Report

**Board of Directors
Gettysburg Borough Storm Water Authority**

Report on the Audit of the Financial Statements

Adverse and Unmodified Opinions

We have audited the cash basis Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position, Statement of Fiduciary Net Position, Statement of Changes in Fiduciary Net Position, and Debt Statement – regulatory basis, as of and for the year ended December 31, 2021 included in the Annual Report of the Municipal Authorities and Non-Profits (Schedules) of the Gettysburg Borough Storm Water Authority (Authority), a component unit of the Borough of Gettysburg.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the Schedules referred to above present fairly, in all material respects, the regulatory basis financial position of the Authority as of December 31, 2021, and the regulatory results of its operations for the year then ended in accordance with the financial reporting provisions described in the instructions provided by Pennsylvania Department of Community and Economic Development (DCED).

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse and Unmodified Opinions” section of our report, the Schedules referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Authority as of December 31, 2021, and the results of its operations for the year then ended.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

To meet the financial reporting requirements of the Commonwealth of Pennsylvania, the Schedules are prepared by the Authority on the basis of the instructions provided by the DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America. These requirements permit the Schedules to be prepared without financial statement disclosures, without cash flows, without component unit financial information, without government-wide financial statements, without Management's Discussion and Analysis, without budgetary comparisons, and without historical pension and post-employment benefit liability information, and require all funds to be aggregated by fund type on the Schedules.

The effects on the Schedules of the variances between the regulatory basis of accounting described above and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these Schedules in accordance with the financial reporting provisions as described in the instructions provided by the DCED to meet filing requirements in Pennsylvania, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.
