Dear Community Member:

We'd like to take the opportunity to highlight Shared Ride service in Adams County. rabbittransit is a multi-county municipal transportation authority, which currently oversees shared ride operations in Adams, Columbia, Cumberland, Franklin, Montour, Northumberland, Perry, Snyder, Union and York Counties.

Do you know or serve someone who is:

- Over 65 years of age, or
- Has a disability and is at least 18 years old, or
- Has a Medicare card, or
- Has Medical Assistance or an Access card

If you answered YES, this individual could be eligible for discounted transportation. We offer Shared Ride service (also known as Paratransit), in which we pick the rider up at his or her front door and travel to their destination. Customers share the ride with other customers. Please note that it is not direct service. There is an application process to become registered, after which, the rider calls to make an advanced reservation for his or her trip.

If you are interested in learning more about Shared Ride service or would like to have someone present to a group about transportation options, please call us at 1-800-632-9063.

We also offer free travel training in which we ride with the customer to explain and show hands-on how Shared Ride works.

If there are transportation needs in the community that you are aware of, please don't hesitate to contact us to start exploring travel options today.

In addition to Shared Ride service, rabbittransit offers 15N rabbitEXPRESS service from Gettysburg to Harrisburg, Monday thru Friday, and Freedom Transit provides fixed route public transportation in Downtown Gettysburg. For more information, please visit www.rabbittransit.org.

Sincerely,

rabbittransit
