Chuck and LaVanna Price, 433 Baltimore Street.

Mr. & Mrs. Carl List, Ice Cream Parlor at 33 Steinwehr Avenue.

Pauline Peterson, owner of "The Conflict", 213 Steinwehr Avenue.

The above citizens were here to discuss their concerns for speeding, loud noises from cars and boom boxes. They feel the police are not properly enforcing the laws. Youth gather at Hardee's Restaurant (not just Gettysburg residents but from other towns as well) and travel the streets into the early morning hours. The citizens would like to see something done to eliminate the problem to make a better impression on the tourists.

Jean McCrorie, 248 York Street, along with her Contractor, Glenn Kuykendall would like HARB to accept her previous proposal for metal doors.

Jim Cole, 51 East Stevens Street, attended to follow up on his HARB application.

Mr. Moyer and David Sandstedt attended to observe the meeting.

Shannon Smith-Brigaman with United Cerebral Palsy attended to represent Frank Faulkner who lives at the Fahnestock House. He is permanently in a wheel chair due to an accident and feels that his building is not accessible for wheel chairs to get in the front door. They need to have more ramps and more curb cuts. He requested the Borough should check into these problems to be certain they are following the ADA regulations.

Thomas Henninger, 314 East Railroad Street, is concerned with the rail road crossing on Rail Road Street proposed by Dal-Tile Corp. He has been having problems with the tractor trailer trucks running for long periods of time throughout the night. Suggested that this noise should be limited to certain hours and not permitted throughout the night.

Mayor Linn reported that he would be attending a Transportation Committee Meeting at the Holiday Inn.

Mr. Kreisher-Public Works Committee will have their next meeting on July 26 at 3:30. They will be discussing the shade tree ordinance to be presented at the next Council meeting.

Mr. Troxell-Legislative Committee reported that he is concerned that even longer truck will be permitted by PennDOT. He will keep Council informed of this.

Moved Mr. Murphy, seconded Mrs. Gustafson to authorize the application for a Council of Government Grant in the amount of \$9,250 for the purpose of commercial vehicle enforcement. Motion carried unanimously.

Mrs. Showvaker reported that the Rec Board has requested a feasibility study for a swimming pool. The rec park is used very heavily, so the location of a pool may be desirable at another location. Currently working with other Townships to get their input. The Board is considering a restructuring so that other townships can have representation.

Mr. Lawver reported that the square project is just about complete. The crew will be hauling brush and cleaning the tiber. Street sweeper will be in service this week.
