President Streeter called the hearing to order at 7:00 PM with the following Councilors present: Mr. Fleet, Mr. Monahan, Ms. Smith, Mr. Peterson, Mr. Miller and Mayor Troxell. Mr. Murphy, Ms. Giles and Mr. Eline were absent. Staff present included Manager Sterner, Secretary Stull, Solicitor Eastman, Planning Director Powell, Code Enforcement Officer Savage.

Representing the press was Charles Schillinger of the *Evening Sun*.

Citizens in attendance included:

Giovanni Cucuzza, La Bella Italia Restaurant, 402 York Street.

Jonathan Patrono, Patrono and Associates, 30 West Middle Street.

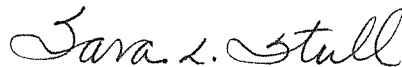

Solicitor Eastman explained the purpose of the hearing is to receive comments and recommendations from interested individuals residing within the Borough concerning the application of Giovanni Cucuzza for the transfer of a license to dispense beer for use in his restaurant La Bella Italia, 402 York Street.

Mr. Patrono, Attorney for Mr. Cucuzza speaking on behalf of his client, doesn't feel it will be adverse to the Borough but rather the development visually improves the appearance on that corner of York Street.

Mr. Monahan agreed it is a terrific idea to clean up that area and Council wishes him the best of luck.

With no further business Mr. Monahan moved, seconded Mr. Miller to adjourn the meeting a 7:05 PM.

Respectfully submitted,

Sara L. Stull  
Borough Secretary
