

**BOROUGH OF GETTYSBURG**  
**59 EAST HIGH STREET, GETTYSBURG, PA 17325**  
**COUNCIL PUBLIC HEARING (CDBG)**  
**SEPTEMBER 25, 2017**

President Robert Krummerich called the public hearing to order at 6:30 PM with the following Councilors present: Vice President Scot Pitzer, Mr. Jacob Schindel, Mrs. Susan Naugle, Mr. Wesley Heyser and Mrs. AmyBeth Hodges. Mr. Graham Weaver was absent. Borough staff present included: Mayor Theodore Streeter; Borough Manager Charles Gable; Borough Secretary Sara Stull; Solicitor Harold Eastman; Public Works Director Dan Hilliard and Chad Clabaugh, Borough Engineer, C. S. Davidson, Inc.

Others present include: Harlan Lawson, Adams County Office of Planning & Development; Charles Strauss, 38 West Middle Street and Nancy Kramer, 12 Wade Avenue.

Representing the press were Jim Hale with the *Gettysburg Times* and Lillian Reed of the *Evening Sun*.

Manager Gable announced that the public hearing is for the Borough Council to discuss the Borough's application for funding under the 2017 fiscal year's Community Development Block Grant (CDBG) Program. It provides an opportunity for public input on possible projects to be included in the grant application as well as to provide comments concerning past performance of the Borough on matters of community development. Manager Gable said that approximately \$111,166.00 of CDBG funding will be made available to benefit the Borough of Gettysburg.

Chad Clabaugh gave a brief presentation outlining the 2014 through 2017 CDBG funding year projects. He said that the plans call for ramps to be installed at five intersections on King Street. Mr. Clabaugh said that the work would take place in 2019, noting the two-year lag between the grant and construction is normal (see attached).

Councilman Schindel asked if the recently proposed Graham Cassidy Health Care Bill would affect future funding. Mr. Clabaugh responded that he's not familiar with the proposed Bill.

Councilman Schindel also noted the map doesn't include the inner loop or other projects for the upcoming year. Mr. Clabaugh responded that the Borough is being proactive with the American with Disabilities Act (ADA).

There was no public comments at this time.

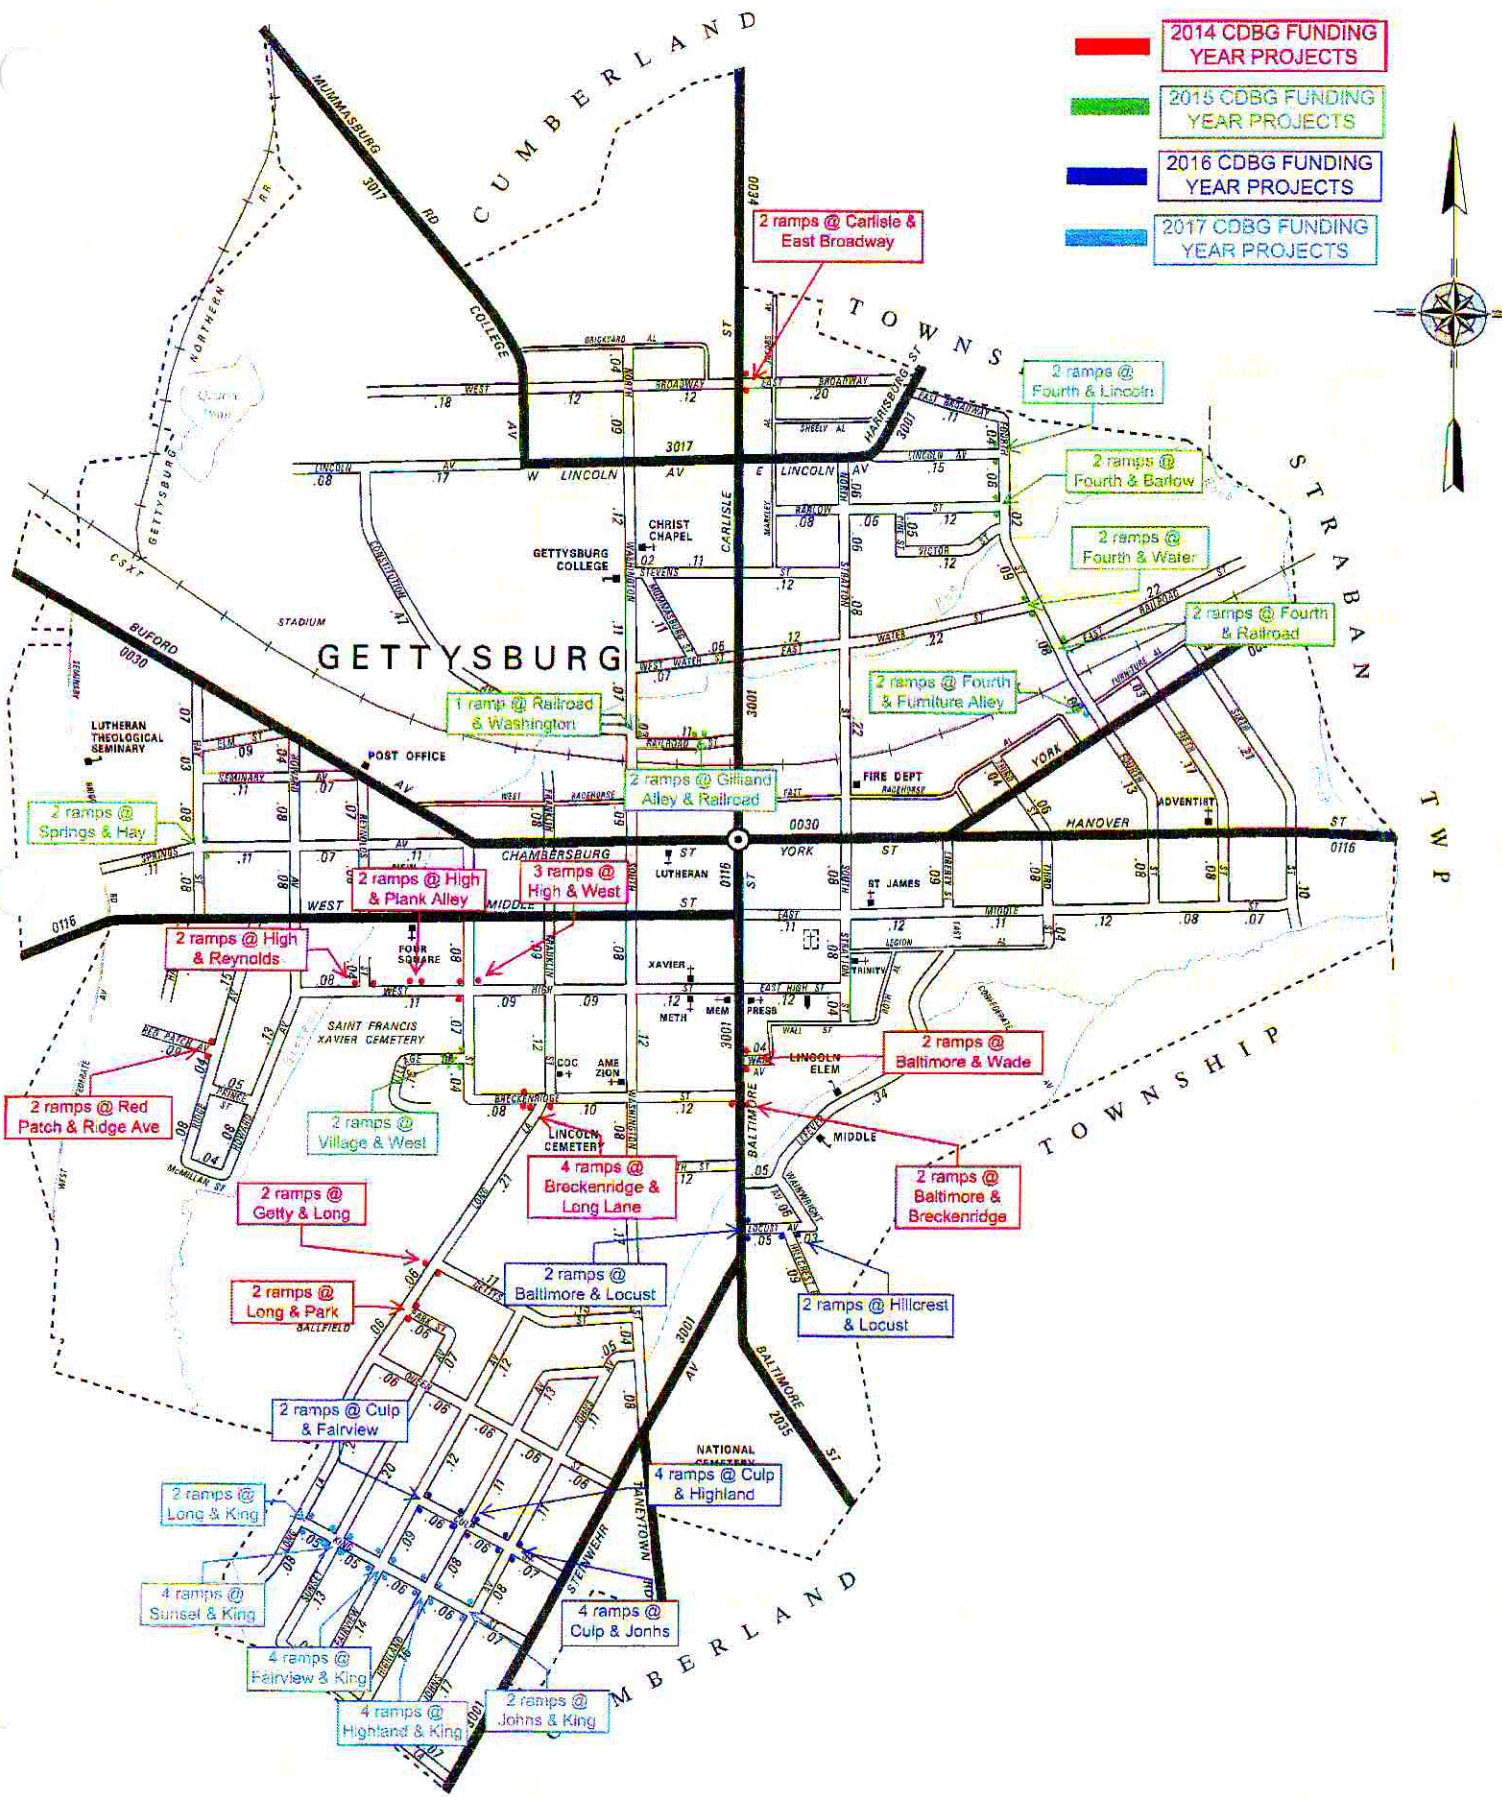

Moved Mr. Pitzer, seconded Mr. Schindel to adjourn the meeting at 6:40 PM. Motion carried unanimously.

Respectfully submitted,

Sara L. Stull  
Borough Secretary
