**RULES AND REGULATIONS OF THE BOROUGH COUNCIL OF THE BOROUGH OF GETTYSBURG REGARDING CONDUCT OF ALL MEETINGS OPEN TO THE PUBLIC AND THE MAINTENANCE OF ORDER AT SUCH MEETINGS OF THE BOROUGH OF GETTYSBURG, ADAMS COUNTY, PENNSYLVANIA.**

**WHEREAS**, pursuant to the laws governing open meetings, 65 Pa.C.S. § 701 et seq. (hereinafter the "Sunshine Act"), an agency may establish reasonable rules and regulations for the conduct of its meetings and the maintenance of order at such meetings; and

**WHEREAS**, the Borough of Gettysburg, Adams County, Pennsylvania (hereinafter the "Borough") is an "agency" of the Commonwealth of Pennsylvania as defined by the Sunshine Act; and

**WHEREAS**, on December 8, 2008 at a duly advertised general monthly business meeting of the Borough Council of the Borough of Gettysburg, Adams County, Pennsylvania (hereinafter the "Borough Council"), the Borough Council adopted by Resolution No. 120808 rules and regulations for the conduct of public meetings of the Borough Council including guidelines for public comment, conduct and protocol and use of recording devices at such public meetings. Said Rules and Regulations became effective on January 1, 2009 and have remained in full force and effect since that date; and

**WHEREAS**, on February 8, 2016, the Borough Council subsequently adopted as its new official rules of order for the conduct of its meetings The Modern Rules of Order: A Guide for Conducting Business Meetings, Fourth Edition, PBI Press (hereinafter the "Modern Rules") to be used as a general guide for the conduct of meetings; and

**WHEREAS**, the purpose of this document is to update, amend, revise, restate and further set forth the rules and regulations regarding the conduct of public meetings of the Borough Council and the maintenance of order at such public meetings, including guidelines for public comment, conduct and protocol and the use of recording devices at such meetings.

**NOW, THEREFORE BE IT RESOLVED by the Borough Council of the Borough of Gettysburg, Adams County, Pennsylvania**, and it is hereby adopted by the authority of the same as follows:

1. **SCOPE OF PUBLIC COMMENT:** The scope of public comment, as defined in the Sunshine Act, shall be limited to matters of concern, official action or deliberations which are or may come before the Borough Council prior to its taking official action. These matters are defined by the Borough Code which sets forth the powers and responsibilities and delineates the corporate and specific powers of the Borough Council. Public comment is not intended for the purpose of solely reciting or reading legislation, ordinances or other such documents.

2. **PROCEDURES FOR ACCEPTING PUBLIC COMMENT:**

a. **REGULAR OR SPECIAL MEETINGS OF BOROUGH COUNCIL**

(1) Resident or Taxpayer: The Borough Council shall provide a reasonable opportunity for public participation of residents or taxpayers of the Borough at or near the beginning of each regular or special meeting in order to comment on all matters listed for official action and to comment on any other matters of concern or deliberation which are or may come before the Borough Council. In the course of each regular or special meeting, residents or taxpayers of the Borough may also be recognized at the discretion of the Borough Council president, vice president or president pro tempore (hereinafter the "presiding officer"), whoever is presiding over the meeting on behalf of the Borough Council, in order to provide comments or information which may be helpful to the Borough Council in its deliberations on matters before the Borough Council and particularly on matters which have been added to the meeting agenda following the commencement of the meeting. The Borough Council shall also provide a reasonable opportunity for public participation of residents or taxpayers of the Borough at or near the end of each regular monthly business meeting or each special meeting in order

to comment on all matters listed for official action and to comment on any other matters of concern or which are or may subsequently come before the Borough Council.

- (2) **Non-Resident or Non-Taxpayer:** Extending the courtesy of public comment to nonresident or non-taxpayer individuals is discretionary on the part of the Borough Council and its presiding officer. If a nonresident or non-taxpayer wishes to address the Borough Council on a matter for official action or a matter of concern, the Borough Council may extend the courtesy of public comment and may want to provide for such comment, especially if the individual has information that may be helpful or which is in the best interests of the Borough for the Borough Council to receive and consider.
- (3) **Time Limits:** The purpose of a time limit is to assure that all wishing to speak have the opportunity to do so, that all shall have generally an equal opportunity to speak, that Borough Council shall receive all comments on matters for official action prior to voting on such matters, and that the Borough Council shall be able to conduct the required business of the meeting agenda.

Generally, each person to address the Borough Council shall be provided a maximum of five (5) minutes.

If a time limit of fewer than five (5) minutes is to be utilized for each person to provide public comment to the Borough Council at an open meeting, it shall be indicated at the beginning of the public comment portion of the meeting. In no case shall a time limit of fewer than two (2) minutes be designated for each resident or taxpayer of the Borough to provide public comment.

If a strict time limit on public comment is to be utilized, the presiding officer shall designate a timekeeper. The speaker will be told when one (1) minute remains on his or her time to provide public comment.

If after one-half (1/2) hour public comment has not been completed, the presiding officer may ask by show of hands those persons desiring to speak to agenda items, and those desiring to speak to other matters of concern. The presiding officer may, within his or her discretion, defer public comment on the other matters of concern until the designated public participation period near the end of the meeting or to the next regular monthly business meeting of Borough Council or to a special meeting occurring in advance of the next regular monthly business meeting.

- (4) **Agenda:** A resident or taxpayer of the Borough may request to be placed on the agenda for the public participation period of a regular meeting, special meeting or work session meeting of the Borough Council. Such request must be made directly to the Borough through the Borough Secretary a minimum of three (3) business days prior to the date of the open meeting.
- (5) **Sign-in Form:** When it becomes known, either in advance of a meeting or upon arrival to a meeting, that there may be many persons wishing to comment, the Borough Secretary may have a sign-in form available and require that all those present who desire to make public comment sign up to speak. This form will provide name, address, and indicate whether the matter is an agenda item for action or other matter of concern.

After review of the sign-in form, the presiding officer shall determine if a time limit of less than five (5) minutes for public comment of each speaker is required.
