

CABLE TELEVISION FRANCHISE AGREEMENT

This Franchise Agreement (hereinafter, the "Agreement" or "Franchise Agreement") is made between Gettysburg Borough, Adams County, Pennsylvania (hereinafter, "Borough") and Comcast of Colorado/Pennsylvania/West Virginia, LLC (hereinafter, "Grantee").

The Borough, having determined that the financial, legal, and technical ability of the Grantee is reasonably sufficient to provide the services, facilities, and equipment necessary to meet the future cable-related needs of the community, desires to enter into this Franchise Agreement with the Grantee for the construction, operation and maintenance of a Cable System on the terms and conditions set forth herein.

SECTION 1 - Definition of Terms

For the purposes of this Franchise Agreement, capitalized terms, phrases, words, and abbreviations shall have the meanings ascribed to them in the Cable Communications Policy Act of 1984, as amended, 47 U.S.C. §§ 521-613 (the "Cable Act"), unless otherwise defined herein.

SECTION 2 - Grant of Authority

2.1. The Franchising Authority hereby grants to the Grantee under the Cable Act a nonexclusive Franchise authorizing the Grantee to construct and operate a Cable System in, along, among, upon, across, above, over, under, or in any manner connected with Public Ways within the Franchise Area, and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in, on, over, under, upon, across, or along any Public Way and all extensions thereof and additions thereto, such

poles, wires, cables, conductors, ducts, conduits, vaults, manholes, pedestals, amplifiers, appliances, attachments, and other related property or equipment as may be necessary or appurtenant to the Cable System. Nothing in this Franchise shall be construed to prohibit the Grantee from offering any service over its Cable System that is not prohibited by federal or state law.

2.2. Term of Franchise. The term of the Franchise granted hereunder shall be twelve (12) years, commencing upon the Effective Date of the Franchise, unless the Franchise is renewed or is lawfully terminated in accordance with the terms of this Franchise Agreement and the Cable Act.

2.3. Renewal. Any renewal of this Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, as amended [47 U.S.C. §546].

2.4. Reservation of Authority. Nothing in this Franchise Agreement shall (A) abrogate the right of the Franchising Authority to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the Franchising Authority, or (C) be construed as a waiver or release of the rights of the Franchising Authority in and to the Public Ways.

2.5. Competitive Equity.

2.5.1. (i) Comcast acknowledges and agrees that the Borough reserves the right to grant one or more additional franchises to construct, operate, and maintain a Cable System or operate an open video system ("OVS") within the Borough.

(ii) The franchise granted to Comcast is non-exclusive; however, if the Borough grants an additional franchise that, when taken as a whole upon consideration of its material obligations, is more favorable or less burdensome to the additional franchisee than this Agreement is to Comcast, then the Borough and Comcast shall amend this Agreement to provide Comcast with the benefit of such more favorable or less burdensome material obligations.

SECTION 3 – Construction and Maintenance of the Cable System

3.1. Permits and General Obligations. The Grantee shall be responsible for obtaining, at its own cost and expense, all permits, licenses, or other forms of approval or authorization necessary to construct, operate, maintain or repair the Cable System, or any part thereof, prior to the commencement of any such activity. Construction, installation, and maintenance of the Cable System shall be performed in a safe, thorough and reliable manner using materials of good and durable quality. All transmission and distribution structures, poles, other lines, and equipment installed by the Grantee for use in the Cable System in accordance with the terms and conditions of this Franchise Agreement shall be

located so as to minimize the interference with the proper use of the Public Ways and the rights and reasonable convenience of property owners who own property that adjoins any such Public Way. This requirement shall not be interpreted or construed in any way to require the Grantee to obtain from the Franchising Authority prior approval, authorization, permits, or licenses to perform standard installations, routine maintenance or repair on any part of the Cable System.

3.2. Conditions on Street Occupancy.

3.2.1. New Grades or Lines. If the grades or lines of any Public Way within the Franchise Area are lawfully changed at any time during the term of this Franchise Agreement, then the Grantee shall, upon reasonable advance written notice from the Franchising Authority (which shall not be less than ten (10) business days) and at its own cost and expense, protect or promptly alter or relocate the Cable System, or any part thereof, so as to conform with any such new grades or lines. If public funds are available to any Person using such street or public right-of-way for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall upon written request of the Grantee make application for such funds on behalf of the Grantee.

3.2.2. Relocation at Request of Third Party. The Grantee shall, upon reasonable prior written request of any Person holding a permit issued by the Franchising Authority to move any structure, temporarily move its wires to permit the moving of such structure; provided (i) the Grantee may impose a reasonable charge on any Person for the movement of its wires, and such charge may be required to be paid in advance of the movement of its wires; and (ii) the Grantee is given not less than ten (10) business days advance written notice to arrange for such temporary relocation.

3.2.3. Restoration of Public Ways. If in connection with the construction, operation, maintenance, or repair of the Cable System, the Grantee disturbs, alters, or damages any Public Way, the Grantee agrees that it shall at its own cost and expense replace and restore any such Public Way to a condition reasonably comparable to the condition of the Public Way existing immediately prior to the disturbance.

3.2.4. Safety Requirements. The Grantee shall, at its own cost and expense, undertake all necessary and appropriate efforts to maintain its work sites in a safe manner in order to prevent failures and accidents that may cause damage, injuries or nuisances. All work undertaken on the Cable System shall be performed in substantial accordance with applicable FCC or other federal and state regulations. The Cable System shall not unreasonably endanger or interfere with the safety of Persons or property in the Franchise Area.

3.2.5. Trimming of Trees and Shrubbery. The Grantee shall comply with the Borough's generally applicable Ordinance regarding tree trimming.

3.2.6. Aerial and Underground Construction. If all of the transmission and distribution facilities of all of the respective public or municipal utilities in any area of the Franchise Area are underground, the Grantee shall place its Cable Systems' transmission and distribution facilities underground; provided that such underground locations are actually capable of accommodating the Grantee's cable and other equipment without technical degradation of the Cable System's signal quality. In any region(s) of the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground. Nothing in this Section shall be construed to require the Grantee to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

SECTION 4 - Service Obligations

4.1. General Service Obligation. The Grantee shall make Cable Service available to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per mile for aerial plant and fifty (50) homes per mile for underground plant, and is within one (1) mile of the existing Cable System. Subject to the density requirement, Grantee shall offer Cable Service to all new homes or previously unserved homes located within 125 feet of the Grantee's distribution cable.

The Grantee may, in its sole discretion, elect to provide Cable Service to areas not meeting the above density and distance standards. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop in or line extension in excess of the above standards. Any such additional charge shall be computed on a time plus materials basis to be calculated on that portion of the installation that exceeds the standards set forth above.

4.2. Programming. The Grantee shall offer to all Customers a diversity of video programming services.

4.3. No Discrimination. Neither the Grantee nor any of its employees, agents, representatives, contractors, subcontractors, or consultants, nor any other Person, shall discriminate or permit discrimination between or among any Persons in the availability of Cable Services provided in connection with the Cable System in the Franchise Area. It shall be the right of all Persons to receive all available services provided on the Cable System so long as such Person's financial or other obligations to the Grantee are satisfied.

4.4. Prohibition Against Reselling Service. No Person shall resell, without the express prior written consent of the Grantee, any Cable Service, program or signal transmitted over the Cable System by the Grantee.

SECTION 5 - Fees and Charges to Customers

5.1. All rates, fees, charges, deposits and associated terms and conditions to be imposed by the Grantee or any affiliated Person for any Cable Service as of the Effective Date shall be in accordance with applicable FCC's rate regulations. Before any new or modified rate, fee, or charge is imposed, the Grantee shall follow the applicable FCC notice requirements and rules and notify affected Customers, which notice may be by any means permitted under applicable law.

SECTION 6 - Customer Service Standards; Customer Bills; and Privacy Protection

6.1. Customer Service Standards. The Franchising Authority hereby adopts the customer service standards set forth in Part 76 of the FCC's rules and regulations [47 C.F.R. §76.309]. The Grantee shall comply in all respects with the customer service requirements established by the FCC.

6.2. Customer Bills. Customer bills shall be designed in such a way as to present the information contained therein clearly and comprehensibly to Customers, and in a way that (A) is not misleading and (B) does not omit material information. Notwithstanding anything to the contrary in Section 6.1, above, the Grantee may, in its sole discretion, consolidate costs on Customer bills as may otherwise be permitted by Section 622 (c) of the Cable Act [47 U.S.C. §542 (c)].

6.3. Privacy Protection. The Grantee shall comply with all applicable federal and state privacy laws, including Section 631 of the Cable Act [47 U.S.C. §551] and regulations adopted pursuant thereto.

SECTION 7 - Oversight and Regulation by Franchising Authority

7.1. Franchise Fees. The Grantee shall pay to the Franchising Authority a franchise fee in an amount equal to five (5%) percent of annual Gross Revenues received from the operation of the Cable System to provide Cable Service in the Franchise Area; provided, however, that Grantee shall not be compelled to pay any higher percentage of franchise fees than any other cable operator providing service in the Franchise Area. The payment of franchise fees shall be made on a quarterly basis and shall be due forty-five (45) days after the close of each calendar quarter and sixty (60) days after the close of the calendar year. Each franchise fee payment shall be accompanied by a report prepared

by a representative of the Grantee showing the basis for the computation of the Franchise Fees paid during that period.

7.2. Franchise Fees Subject to Audit.

7.2.1. Upon reasonable prior written notice, during normal business hours, at Grantee's principal business office, the Franchising Authority shall have the right to inspect the Grantee's financial records used to calculate the Franchising Authority's franchise fees; provided, however, that any such inspection shall take place within two (2) years from the date the Franchising Authority receives such payment, after which period any such payment shall be considered final.

7.2.2. Upon the completion of any such audit by the Franchising Authority, the Franchising Authority shall provide to the Grantee a final report setting forth the Franchising Authority's findings in detail, including any and all substantiating documentation. In the event of an alleged underpayment, the Grantee shall have thirty (30) days from the receipt of the report to provide the Franchising Authority with a written response agreeing to or refuting the results of the audit, including any substantiating documentation. Based on these reports and responses, the parties shall agree upon a "Final Settlement Amount." For purposes of this Section, the term "Final Settlement Amount(s)" shall mean the agreed upon underpayment, if any, to the Franchising Authority by the Grantee as a result of any such audit. If the parties cannot agree on a Final Settlement Amount, the parties shall submit the dispute to a mutually agreed upon mediator within sixty (60) days of reaching an impasse. In the event an agreement is not reached at mediation, either party may bring an action to have the disputed amount determined by a court of law.

7.2.3. Any Final Settlement Amount(s) due to the Franchising Authority as a result of such audit shall be paid to the Franchising Authority by the Grantee within thirty (30) days from the date the parties agree upon the Final Settlement Amount. Once the parties agree upon a Final Settlement Amount and such amount is paid by the Grantee, the Franchising Authority shall have no further rights to audit or challenge the payment for that period. The Franchising Authority shall bear the expense of its audit of the Grantee's books and records.

7.3. Oversight of Franchise. In accordance with applicable law, the Franchising Authority shall have the right to oversee, regulate and, on reasonable prior written notice and in the presence of Grantee's employees, periodically inspect the construction, operation and maintenance of the Cable System in the Franchise Area, and all parts thereof, as necessary to monitor Grantee's compliance with the provisions of this Franchise Agreement.

7.4. Technical Standards. The Grantee shall comply with all applicable technical standards of the FCC as published in subpart K of 47 C.F.R. § 76. To the extent those standards are altered, modified, or amended during the term of this Franchise, the

Grantee shall comply with such altered, modified or amended standards within a reasonable period after such standards become effective. The Franchising Authority shall have, upon written request, the right to obtain a copy of tests and records required to be performed pursuant to the FCC's rules.

7.5. Maintenance of Books, Records, and Files.

7.5.1. Books and Records. Throughout the term of this Franchise Agreement, the Grantee agrees that the Franchising Authority, upon reasonable prior written notice to the Grantee, may review such of the Grantee's books and records regarding the operation of the Cable System and the provision of Cable Service in the Franchise Area which are reasonably necessary to monitor Grantee's compliance with the provisions of this Franchise Agreement at the Grantee's business office, during normal business hours, and without unreasonably interfering with Grantee's business operations. Such books and records shall include any records required to be kept in a public file by the Grantee pursuant to the rules and regulations of the FCC. All such documents pertaining to financial matters that may be the subject of an inspection by the Franchising Authority shall be retained by the Grantee for a minimum period of three (3) years.

7.5.2. File for Public Inspection. Throughout the term of this Franchise Agreement, the Grantee shall maintain at its business office, in a file available for public inspection during normal business hours, those documents required pursuant to the FCC's rules and regulations.

7.5.3. Proprietary Information. Notwithstanding anything to the contrary set forth in this Section, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature. The Franchising Authority agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives, and agents of the Franchising Authority that have a need to know in order to enforce this Franchise Agreement and who agree to maintain the confidentiality of all such information. The Grantee shall not be required to provide Customer information in violation of Section 631 of the Cable Act [47 U.S.C. § 551] or any other applicable federal or state privacy law. For purposes of this Section, the terms "proprietary or confidential" include, but are not limited to, information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of franchise fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. In the event that the Franchising Authority receives a request under a state "sunshine," public records or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the Franchising Authority shall promptly notify Grantee of such request and cooperate with Grantee in its efforts to protect its rights.

SECTION 8 – Transfer of Cable System or Franchise

8.1. Neither the Grantee nor any other Person may transfer the Cable System or the Franchise without the prior written consent of the Franchising Authority, which consent shall not be unreasonably withheld or delayed. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation. Within thirty (30) days of receiving a request for consent, the Franchising Authority shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the Franchising Authority has not taken action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

SECTION 9 - Insurance and Indemnity

9.1. Insurance. Throughout the term of this Franchise Agreement, the Grantee shall, at its own cost and expense, maintain Comprehensive General Liability Insurance and provide the Franchising Authority certificates of insurance designating the Franchising Authority and its officers, boards, commissions, councils, elected officials, agents and employees as additional insureds and demonstrating that the Grantee has obtained the insurance required in this Section. Such policy or policies shall be in the minimum amount of One Million Dollars (\$1,000,000.00) for bodily injury or death to any one person, and One Million Dollars (\$1,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and One Million Dollars (\$1,000,000.00) for property damage resulting from any one accident. Such policy or policies shall be non-cancelable except upon thirty (30) days prior written notice to the Franchising Authority. The Grantee shall provide workers' compensation coverage in accordance with applicable law. The Grantee shall indemnify and hold harmless the Franchising Authority from any workers compensation claims to which the Grantee may become subject during the term of this Franchise Agreement

9.2. Indemnification. The Grantee shall indemnify, defend and hold harmless the Franchising Authority, its officers, employees, and agents from and against any liability or claims resulting from property damage or bodily injury (including accidental death) that arise out of the Grantee's construction, operation, maintenance or removal of the Cable System, including, but not limited to, reasonable attorneys' fees, provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify and defend the Franchising Authority within ten (10) business days of receipt of a claim or action pursuant to this Section. If the Franchising Authority determines that it is necessary for it to employ separate counsel, the costs for such separate counsel shall be the responsibility of the Franchising Authority.

SECTION 10 - System Description and Service

10.1. System Capacity. During the term of this Agreement, Grantee's Cable System shall be capable of providing a wide variety of video programming choices, including two-way interactive service, with reception available to its customers in the Franchise Area in accordance with FCC technical standards.

10.2. Service to School Buildings. The Grantee shall provide free "Basic" and "Expanded Basic" tier Cable Service and free installation at one outlet to (a) each public K-12 school and (b) each non-public K-12 school that receives funding pursuant to Title I of the Elementary and Secondary Education Act of 1965, 20 U.S.C. § 6301 et seq., as amended, not including "home schools," located in the Franchise Area within 125 feet of the Grantee's distribution cable.

10.3. Service to Governmental and Institutional Facilities. The Grantee shall provide free "Basic" and "Expanded Basic" tier Cable Service and free installation at one outlet to each municipal building located in the Franchise Area within 125 feet of the Grantee's distribution cable. In addition, the Grantee shall provide free residential high-speed Internet service to the Gettysburg Borough office, Highway Garage and Recreation Building. "Municipal buildings" are those buildings owned or leased by the Franchising Authority for government administrative purposes, and shall not include buildings owned by Franchising Authority but leased to third parties or buildings such as storage facilities at which government employees are not regularly stationed.

SECTION 11 - Enforcement and Termination of Franchise

11.1. Notice of Violation or Default. In the event the Franchising Authority believes that the Grantee has not complied with the material terms of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.

11.2. Grantee's Right to Cure or Respond. The Grantee shall have forty-five (45) days from the receipt of the Franchising Authority's written notice: (A) to respond to the Franchising Authority, contesting the assertion of noncompliance or default; or (B) to cure such default; or (C) in the event that, by nature of the default, such default cannot be cured within the forty-five (45) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

11.3. Public Hearings. In the event the Grantee fails to respond to the Franchising Authority's notice or in the event that the alleged default is not remedied within sixty (60) days or the date projected by the Grantee, the Franchising Authority

may schedule a public hearing to investigate the default. Such public hearing shall be held at the next regularly scheduled meeting of the Franchising Authority that is scheduled at a time that is no less than ten (10) business days therefrom. The Franchising Authority shall notify the Grantee in writing of the time and place of such meeting and provide the Grantee with a reasonable opportunity to be heard.

11.4. Enforcement. Subject to applicable federal and state law, in the event the Franchising Authority, after such public hearing, determines that the Grantee is in default of any provision of the Franchise, the Franchising Authority may:

11.4.1. seek specific performance of any provision that reasonably lends itself to such remedy as an alternative to damages, or seek other equitable relief; or

11.4.2. in the case of a substantial default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:

(i) The Franchising Authority shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety (90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the Franchising Authority has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy, it may then seek termination of the Franchise at a public hearing. The Franchising Authority shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.

(ii) At the designated hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Franchising Authority shall be in writing and shall be delivered to the Grantee by certified mail. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Franchising Authority "de novo" and to modify or reverse such decision as justice may require. Such appeal to the appropriate court must be taken within sixty (60) days of the issuance of the determination of the Franchising Authority.

11.5. Technical Violation. The Franchising Authority agrees that it is not its intention to subject the Grantee to penalties, fines, forfeitures or revocation of the

Franchise for so-called "technical" breach(es) or violation(s) of the Franchise, which shall include, but not be limited, to the following:

11.5.1. in instances or for matters where a violation or a breach of the Franchise by the Grantee was good faith error that resulted in no or minimal negative impact on the Customers within the Franchise Area; or

11.5.2. where there existed circumstances reasonably beyond the control of the Grantee and which precipitated a violation by the Grantee of the Franchise, or which were deemed to have prevented the Grantee from complying with a term or condition of the Franchise.

SECTION 12 - Miscellaneous Provisions

12.1. Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the Cable System, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary.

12.2. Notice. All notices shall be in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

All ordinances or parts of ordinances that are in conflict with the provisions of this Franchise Agreement are superseded by this Franchise Agreement.

12.4. Severability. If any section, subsection, sentence, clause, phrase, or other portion of this Franchise Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body, or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent portion. 12.8. No Waiver of Rights. Nothing in this Franchise Agreement shall be construed as a waiver of any rights, substantive or procedural, Grantee may have under federal or state law unless such waiver is expressly stated herein.
