

Welcome!

Welcome to the Gettysburg Heritage Center A Gettysburg Christmas Festival, presented by Main Street Gettysburg!

We are so happy you have joined us for this special event—the largest of its kind in Gettysburg because it invites the entire community to participate in a way where the community activities become the festival experience. We have worked with community partners to put together activities that are fun, heartfelt and engaging for all ages. And we are pleased this event welcomes local residents as well as visitors from afar.

Gettysburg is known for the famous Civil War battle that happened from July 1-3, 1863, and also for President Abraham Lincoln’s “Gettysburg Address,” given just a few months after the battle on November 19, 1863—at a location within easy walking distance from anywhere in town.

In keeping with Main Street’s mission, we want this event to showcase our community pride in preserving, revitalizing and improving our nationally known downtown and the values of unity and respect for all.

We would like to thank our generous naming sponsor, the Gettysburg Heritage Center, with support from the Gettysburg Nature Alliance, New Leaf Paper and FutureStake Inc., and all of our sponsors for making this weekend possible.

But we also want to thank some other very special people—YOU—our visitors from near and far, who have decided to spend some time with us in Gettysburg during this special time of the year. From all of us at Main Street Gettysburg, and from all of our sponsors, partners, vendors and volunteers, we wish you the most wonderful holiday season and all the best in the New Year!

Deb Adamik, President, Main Street Gettysburg

Steering Committee:

Deb Adamik (Chair), Annie Frazee (Vice President, Main Street Gettysburg), Charles Gable (Borough of Gettysburg Manager), Dru Ane Neil (President, Neil Strategy Group)
